**Write the subject/topic you  
are studying as your title**

**Explain in your own words  
about this topic as if you were  
trying to teach someone else**

**Review this and correct any mistakes**

**Finally, if at any point you used a technical term simplify it as if you were trying to explain it to someone without any prior knowledge**

# In Simple Terms

- 1. Decide a topic**
- 2. Teach a child**
- 3. Identify gaps and mistakes**
- 4. Review and simplifiy**
